

**Hanover Township Education Foundation
5K Run for Health & One-Mile Fun-Walk
Whippany, NJ
Saturday, June 9, 2018
SPONSOR PARTICIPATION**

The Hanover Township's Education Foundation is enthusiastically organizing our 4th annual USTAF 5k race (3.1 miles) to be held at Whippany Park High School on Saturday, June 9, 2018. Proceeds from the race will aid the Hanover Township's K-12 schools to enrich and enhance the current educational programs. There will also be a one mile "fun-walk" which will allow our supporters to participate in a non-competitive event.

The support of our local merchants and corporations is critical to the success of this event. We have several opportunities for you to participate, each affording you and your business excellent community exposure. T-shirts made up for the event will display your company name for a minimum donation of \$250. We will also be offering banners that will be prominently displayed at the check-in area of the race for \$250. Individual race sponsorships are also welcome for a \$100 donation.

If you are interested in further promoting your organization, we have several other opportunities to assist you. Why not add your business name and logo to items such as water bottles, sports towels, mouse pads, etc. that can be distributed to every runner on race day! Give us a call to discuss the details and how we can help you grow your business.

We hope you will agree that your contribution to the Hanover Township Education Foundation supports a worthy cause and provides positive exposure for your business. Enclosed is a sponsor form. The completed form and check made payable to **Hanover Township Education Foundation** should be sent by April 30, 2018 to:

**Hanover Township Education Foundation
4 Ash Circle
Morris Plains, NJ 07950**

Thanking you in advance for your support!

Brandi Linfante, President Hanover Township Education Foundation
Anthony J. Scarpino, Race Committee Chairman (201) 317-5794
Dr. Mark Brzozowski, Race Director (973) 214-9892
